Community Engagement Night at JAWS

It's time to set new priorities for Northern Lights Public Schools to focus on over the next three years! Over the next few weeks, NLPS will be holding community engagement meetings to collect input from parents and community stakeholders on what priorities the division should include in its next Three-Year Education Plan.

You are invited to attend one of the remaining sessions and provide your feedback.

- Lac La Biche - Wednesday, February 27 - J.A. Williams High School - 6:30-8:30 p.m.
- Kikino Métis Settlement - Thursday, March 7 - Kikino School - 10 a.m. - 12 p.m.
- Plamondon and Wandering River - Thursday, March 7 - Ecole Plamondon School - 6:30-8:30 p.m.

The input collected at the community engagement meetings will be used to help the Board determine what division priorities to include in its next Three-Year Education Plan. The current division priorities are improving literacy and numeracy competencies; improving communication, engagement and partnerships; and improving health and wellness. These were developed through extensive consultations done with stakeholders in 2014-2015.
