

JAWS Bits 'N' Bites

May 6 - 10, 2019.

Community Cleanup Week at JAWS

Each Spring, JAWS staff and students take time away from the classes to scour the area surrounding the Bold Center to clean up the garbage and other detritus accumulated over the past year exposed by Winter's thaw! We believe promoting community service is part of our school's responsibility in creating strong citizenship in our youth. We will be cleaning up around the Bold Center and JAWS over the next few days.
