

JAWS Bits 'N' Bites

October 7-10, 2019.

Citadel Theatre

Every year, the English teachers at JAWS organize a trip to Edmonton to give our students an authentic theatre experience at the Citadel. This year, we were happy to expose a crew of almost 40 students to *The Color Purple*. Thank you to our Parents Advisory Council for their support of this JAWS tradition!

Registered Apprenticeship Program

Interested in learning more about the Registered Apprenticeship Program (RAP) and taking your first steps toward becoming an apprentice? Meet apprenticeship officer Doug Collins during block 4 on **October 9** and find out how to begin your trade in high school. See Mrs. Dribnenki for more information!

Volleyball Action!

Last week, the JV teams competed in their first tourney of the season. Congrats to the girls team that finished third! Senior girls won the consolation in St. Paul and the boys made the A side and lost a close one in the playoffs!

JAWS Cares!

PAC Corner

What have you done to support your child's school lately? The JAWS Parents' Advisory Council recently sponsored the Citadel Theatre trip, are funding a new Art Club trip, as well as WE Day and have plans to provide Rock the Diploma services for our Grade 12s! On top of that, they've funded tens of thousands of dollars for new field equipment! These dedicated parents typically meet on the fourth Tuesday of each month; our next meeting will be Tuesday October 22 at 6:30pm! Come find out how you can help support student success! Stop by and hear how you can contribute to your child's safe and caring learning environment! Find out more about the Sports Fields Development, and learn more about how the parents can support the mental health and wellness of our teens! We still need volunteers to take over executive positions, such as treasurer! JAWS PAC needs volunteers! Earn **\$50** toward school fees by working a BINGO! Contact Bonnie @ 780 404 5454 for details!
