

JAWS Bits 'N' Bites

November 18-21, 2019

Parent Teacher Nights

Parent-teacher interviews take place Tuesday and Wednesday this week from 4:30pm-7:30pm. JAWS invites parents to bring your family for a light supper and refreshments as they visit teachers, pick up report cards, and visit displays on Parent Advisory Council, Student Services, and more!

Festival of Trees

The annual **Festival of Trees** has quickly become a holiday kick-off and tradition for Lac La Biche county residents. This wonderful family event, open to the entire community, features trees that are sponsored, donated and decorated by local businesses and organizations. For three days, the Bold Center will be transformed into a winter wonderland of fun; hundreds of people will come and see the

beautifully decorated trees, hear local school groups perform Christmas music, buy tickets and try to win their favorite tree. All proceeds go to local non-profit youth programs and community organizations. Last year, 38 local groups benefitted from more than \$27,000 of raised funds. None of this could happen without the almost 700 volunteers and the Festival of Trees organizational committee, which includes our very own **Ms. Boon-Anderson**, who commits hundreds of hours through the year leading up the this weekend. See you there!
